

Helping Law Enforcement Families in Need

BALEAF was founded in 1999, provides support to law enforcement families who have experienced a member killed in the line of duty, loss of life, serious injury or illness.

BALEAF can provide immediate funding for a range of needs in these difficult circumstances.

BALEAF supports all employees of law enforcement agencies within the San Francisco Bay Area and surrounding counties.

The **BALEAF** Board of Directors includes active and retired officers, as well as survivors of members we have lost.

BALEAF provides:

- Short term financial assistance
- Referrals for psychological services, grief support, and spiritual support
- Educational scholarships
